**Cable Area Off Road Classic opens CAMBA trails to 18 mile course.....**

The Cable Area Off Road Classic mountain bike race set for May 15, 2010 announced today that the new 18 mile 'short' course will include a mix of CAMBA double and single track trails and forest roads from both Bayfield and Sawyer County. Susan Fibert from the Cable Area Chamber of Commerce commented that 'while the long race is very technical and challenging, the short race is very enjoyable for the beginning rider or anyone looking for a great early season trail ride. We have the largest groomed, mapped mountain bike trail system in the region and have earned the title of 'Mountain Bike Capitol of the Midwest'. This is an excellent opportunity for anyone wanting to familiarize themselves with this awesome trail system'. Maps of the new race course are available online at [cable4fun.com/caorc.htm](http://cable4fun.com/caorc.htm).
